Office Base

BalanceAdapt™

BalanceAdapt™

Classic base

The ubiquitous Stressless® base which has sold in millions since its release in 1982.

A two stem design gives a unique stability and swivels 360 degrees. Comes in sizes Small, Medium and Large.

Signature base with BalanceAdapt™

The elegant Signature base featuring a combination of aluminum and wood is a stunning design. With a soft and comfortable rocking motion - Stressless® BalanceAdapt™ gives a truly unique comfort. Available in Small, Medium and Large sizes.

Cross base with BalanceAdapt™

The NEW Stressless® Cross Base is clean, elegant and modern. An alternative for all recliners on the Classic and Signature platform. The upper part of the base is the same as on the Signature base and has a 360 swivel. Available in Small, Medium and Large. The cross base combines beech at the top, available in 8 colours. The metal comes in either polished or matte black aluminum.

PowerLeg&Back™
PowerLeg™

Classic base with PowerLeg&Back™

The NEW Stressless® PowerLeg&Back™ and the PowerLeg™ gives you the option of full automation across all classic base chairs. A single hand movement smoothly moves your body to a position of perfect support for your back, neck and legs.

Comfort on wheels

Stressless® Home Office base gives you full freedom of movement and outstanding comfort in your home office. You can adjust the seat height with the gas lift for maximum comfort. Stressless® Home Office is available in medium sized models.

Star base with BalanceAdapt™

The ubiquitous Stressless® base which has sold in millions since its release in 1982.

A two stem design gives a unique stability and swivels 360 degrees. Comes in sizes Small, Medium and Large.

Original base with BalanceAdapt™

With the new Original base we are looking back into our history, creating a unique modern design as an alternative on all Star base models. Standard or high base. Matte black or chrome finish. Features 360 swivel and BalanceAdapt™

Comfort on wheels

Stressless® Home Office base gives you full freedom of movement and outstanding comfort in your home office. You can adjust the seat height with the gas lift for maximum comfort. Stressless® Home Office is available in medium sized models.
